

Dear Copperchase resident,

Please take the time to look over all the information in this packet as well as all the others that have been given to you. This information is the MOST USED of all the controlling documents when it comes to everyday living in our community and getting along with one another in our H.O.A. Please fill out the 3 forms that are provided. Even if you have filled them out before, take time to make sure that all the information is current. These forms MUST be turned into the HOA. You can put them in an envelope and drop them in the dues box. A Board member will file them for you. Remember: Being an owner in "good standing" means that you are paying your dues, have turned in all your information forms and are following the covenants. This allows you to use all the amenities of Copperchase and to vote in any HOA elections. If you have any questions, you can TEXT 405-585-7385 or you mail email the HOA at copperchaseokc@gmail.com This will get your questions to the person{s} who can best answer them.
